**These data, provided by DFAS, USCG PSC and PHS PSC, clearly illustrate the negative impact of UNIFORMED SERVICES FORMER SPOUSES PROTECTION ACT provisions on U.S. Army, Navy, Marine Corps, Air Force, Coast Guard, personnel, and NOAA and PHS officer corps personnel.**

**These provisions clearly create the tension that inspires military divorce actions in target community households. Heightened operations tempo, serves as the catalyst. Senior enlisted personnel serving in pay-grade E7-10 account for 50% of all USFSPA casualties.**
